**Toowoomba City Stingers Swimming Club** is a non-profit organization and is open to all ages, from babies' right through to adults.

We have **SQUAD TRAINING** and learn to swim classes **Monday, Wednesday** and **Friday** from **4.00 pm to 6.00 pm** at the Harristown State High School Pool Complex on Hennessy Street. This term club nights will be every 2nd 4th Wednesday of the month.

Our costs are very reasonable which makes it more affordable for families and we offer a 5% discount if fees are paid early. We even allow families to pay fees in instalments.

Our club is rather small compared other swimming clubs in the area and we are hoping to boost our numbers. We have a group of dedicated volunteers who see to the daily running of the club
